

The background of the entire image is a close-up of a light beige, heavily textured surface, possibly concrete or stone, with visible grain and some subtle cracks. In the upper right quadrant, there are two orange, ribbed, conical objects. They appear to be made of a smooth material like ceramic or plastic, with horizontal ridges. Each object has a dark, circular opening at its top. They are positioned diagonally, with the one above the other. The lighting creates soft shadows to the right of each object.
