Oro Bianco

A região de Carrara, que se estende dos Alpes Apuanos ao Mediterrâneo, se tornou única por ter o mais precioso dos mármore branco. O “ouro branco” conduziu a história da arte e arquitetura através dos tempos e se mantém um protagonista contemporâneo no design.

Oro Bianco Portobello reproduz o mármore estatuário, com veios de um dourado solar imersos na intensidade do branco puro com sombras acinzentadas. Uma jóia para projetos atemporais.

Oro Bianco

The region of Carrara, from the Apuan Alps to the Mediterranean, became unique for having the most precious of white marbles. The “white gold” conducted the history of art and architecture through the ages and remains a contemporary protagonist in design.

Oro Bianco Portobello reproduces the statuary marble with solar gold veins immersed in the intensity of pure white with grayish shades. A jewel for timeless designs.
