This product is manufactured from porcelain tiles and other accessories, therefore, it does not have technical specifications and is classified as a Special Piece.

The Ceramic Tiles Standard, ISO 13006, is not applicable to decorative accessories or complements such as edges, corners, baseboards, trim, frames, corners, reliefs, curved plates and other accessory parts or inserts. Plates produced by processes other than extrusion or dry pressing are exempt from this standard.

If in doubt, consult our Customer Service (SAC) at 0800 648 2002 or sac@portobello.com.br

Reaction with fire: Ceramic coatings are sintered at high temperatures and therefore do not present in their final composition organic or volatile compounds of any nature, classifying them as Class I - non-combustible.
